Major S.H. Noukes,  
21 Army Group.  
-----

Reference your 21 AG/INT/2428(294) of 10.8.45.  
re Belmont PROBSTING. This report does much to clear  
up the confusion which has existed in the functions  
of Abteilungen III and VI of BdS Holland. It would  
appear that numbered Abteilungen in BdS Holland had  
little significance as far as functions were concerned.

The important point arising out of the report  
is that there is no connection between PROBSTING's  
activities and the III's underground movement, as was  
suggested in my 11.601,397/11.C.3a of 13th July.

Paragraph 33 of the report, however, still  
leaves the FENS case unexplained. PROBSTING makes  
no mention of SASSEN, though FENS states that SASSEN  
was mixed up with PROBSTING. It might be worth while  
having PROBSTING further interrogated on this point.
